

### NeuroART AWARD

1. The applicants can present a maximum of two artistic works. The artistic works must have an image format (photos, images, drawings, paintings, compositions ...) or video directly related to the Nervous System. Images and videos must be accompanied by a title and an explanatory text of a maximum of 50 words in format Word.

**-Image format:** tiff, jpg, pdf, minimum 300 ppi.

**-Video format:** m4v or mov, maximum duration of 60 s.

2. NeuroART award will be evaluated by a SENC committee. The evaluation criteria will be according to the score of 0-5 (0 = minimum, 5 = maximum). The artistic works with the highest score in each modality (image and video) will be awarded with the First Prize, and the works with the second-best evaluation of each modality will be awarded with the Second Prize.

3. The award will consist of a free registration fee for attending either the next SENC Biennial Meeting or the next Cajal Conference. Moreover, a scholarship for attending the activity will be included (350 € for the First Prize and 200 € for the Second Prize)

4. The awarded applicants commit themselves to accept the NeuroART regulations and to grant the copyright to SENC for institutional objectives and advertising media.

5. The artistic works will be sent to: [secretariasenc@pacifico-meetings.com](mailto:secretariasenc@pacifico-meetings.com). The call is annually open from **January 15<sup>th</sup> to February 28<sup>th</sup>**.

6. The NeuroART SENC committee will inform to the awarded applicants by email and SENC website ([www.senc.es](http://www.senc.es)) before **March 15<sup>th</sup>**.

7. The awarded works will be displayed in the NeuroART section of the SENC website). All the presented works will be compiled in a video that it will be displayed on the SENC *Youtube* Channel.
