

## BENEFITS OF BEING A SENC MEMBER:

**EJN:** European Journal of Neuroscience; **FENS:** Federation of European Neuroscience Societies; **IBRO:** International Brain Research Organization; **SENC:** Spanish Neuroscience Society; **SfN:** Society for Neuroscience.

|  |  | Member status |                     |         |            |  |
|--|--|---------------|---------------------|---------|------------|--|
|  |  | Regular       | Emeritus / Honorary | Student | Associated |  |
| At SENC biennial meeting you will  | have registration rate discounts   | ✓             | ✓                   | ✓       | ✓          |  |
|  | apply for Symposia organization  | ✓             | --                  | --      |            |  |
|  | apply for Satellite events organization  | ✓             | ✓                   | ✓       | ✓          |  |
|  | apply for the Olympus Prize for Young Researchers  | ✓             | --                  | --      |            |  |
|  | be part of the SENC Assembly   | ✓             | ✓                   | ✓       | ✓          |  |
| Apply for the <i>Cajal Conference</i> organization   |  | ✓             | ✓                   | --      | --         |  |
| Have registration rate discounts for the <i>Cajal Conference</i> / travel grants to assist the <i>Cajal Conference</i> |  | ✓/!--         | ✓/!--               | ✓/✓     | ✓/!--      |  |
| Apply for SENC grants to organize  | scientific events during the Brain Awareness Week (BAW)  | ✓             | ✓                   | ✓       | ✓          |  |
|  | scientific events during the Science Week  | ✓             | ✓                   | ✓       | ✓          |  |
|  | other activities with particular interest for the SENC members   | ✓             | ✓                   | ✓       | ✓          |  |
| Apply for travel grants to   | SENC meeting / FENS meeting / SfN meeting  | --            | --                  | ✓       |            |  |
| Propose activities to be developed as part of SENC programmes  |  | ✓             | ✓                   | ✓       | ✓          |  |
| Apply for Mentoring Programme (as mentor or mentee)  |  | ✓             | ✓                   | ✓       |            |  |
| Organization of activities proposed by SENC Committees (exhibitions, talks, etc.)                                      |  | ✓             | ✓                   | ✓       | ✓          |  |
| Apply for NeuroART Competition   |  | ✓             | ✓                   | ✓       | ✓          |  |
| Be a candidate for   | Candidature Commission   | ✓             | --                  | --      | --         |  |
|  | Programme Committee  | ✓             | --                  | --      | --         |  |
|  | President of the Executive Board   | ✓             | --                  | --      | --         |  |
|  | Member of the Executive Board  | ✓             | --                  | --      | --         |  |
| Vote for   | SENC Assembly  | ✓             | ✓                   | --      | --         |  |
|  | Candidature Commission members   | ✓             | ✓                   | --      | --         |  |
|  | Programme Committee members  | ✓             | ✓                   | --      | --         |  |
|  | President of the Executive Board   | ✓             | ✓                   | --      | --         |  |
|  | Executive Board members  | ✓             | ✓                   | --      | --         |  |
| You will be eligible for   | Scientific awards and honors sponsored by SENC   | ✓             | ✓                   | ✓       | --         |  |
|  | Executive Board member of the associated SENC scientific societies (FENS, IBRO)                                    | ✓             | ✓                   | --      | --         |  |
| SENC members are also FENS members, so you will  | have registration rate discounts for FENS Forum and FENS Regional Meeting (FRM)                                    | ✓             | ✓                   | ✓       | ✓          |  |
|  | have registration rate discounts for <i>The Brain Conferences</i>  | ✓             | ✓                   | ✓       | ✓          |  |
|  | apply for grants and fellowships of FENS programmes  | ✓             | ✓                   | ✓       | ✓          |  |
|  | apply for travel grants to FENS Forum, IBRO and SfN meetings   | ✓             | ✓                   | ✓       | ✓          |  |
|  | apply for free <i>Abstract submission</i> in SfN meetings and registration rate discounts                          | ✓             | ✓                   | ✓       | ✓          |  |
|  | free access to the <i>on-line</i> European Journal of Neuroscience (EJN) and reduced fees for hardcopy and on-line | ✓             | ✓                   | ✓       | ✓          |  |
|  | free-rate publication costs for accepted papers in EJN   | ✓             | ✓                   | ✓       | ✓          |  |
|  | rate discounts for scientific books  | ✓             | ✓                   | ✓       | ✓          |  |
|  | free and unlimited access to the FENS <i>Job Market</i>  | ✓             | ✓                   | ✓       | ✓          |  |
| SENC members are also IBRO members, so you will  | subscriptions at special rate for different neuroscience journals  | ✓             | ✓                   | ✓       | ✓          |  |
|  | have registration rate discounts for IBRO meetings   | ✓             | ✓                   | ✓       | ✓          |  |
|  | free access to the <i>on-line Neuroscience</i> journal   | ✓             | ✓                   | ✓       | ✓          |  |
|  | apply for grants and fellowships of IBRO programmes  | ✓             | ✓                   | ✓       | ✓          |  |
| Have registration rate discounts for the journal MENTE y CEREBRO   |  | ✓             | ✓                   | ✓       |            |  |
